WHAT WE DO

In-house branding / OEM Service

AMB-HK Enterprises also specialized in creating OEM or in-house branding; as one of AMB's strengths is our satellite purchasing office in China that deals with more than 30 suppliers – Local and International manufacturers that are GMP accredited. Our company's capacity is beyond expectation as we can work and handle extensive requirements based on the client's desired packing, formula or molecule. We do not only create the brand for you; but we will provide end-to-end support from documentation, registration and importation. All you have to do is create the brand in your mind and we will make it happen.

Regional and National Distributors

AMB-HK Enterprises is also engaged in partnership with top regional and national distributors in which they help to sustain a complex supply chain, serving as an important link in the healthcare system and delivering medicines safely, securely and efficiently. Distributors who work around the clock to help hundreds of thousands of pharmacies, hospitals, long-term care facilities, clinics and other healthcare providers across the country together with our objective of keeping our shelves stocked with the quality and affordable medications and products that patients need.

Government Accreditation

AMB HK Enterprises, Inc. participates in government procurement thru consignment and public bidding and is accredited by PhilGEPs (Philippine Government Electronic Procurement System) with Platinum Status Membership. AMB HK Enterprises, Inc. is a member of Philippine Chamber of Commerce and Industry (PCCI).

“Star Brand Food Supplement Provider”

AMB is recognized for being a socially responsible company, providing sponsorships to various medical missions and participating in social and civic activities for a cause.
